A CULTURE WORTH SAVING: NEVER TOO LATE (PAPERBACK)

DOWNLOAD

Outskirts Press, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English Brand New Book ***** Print on Demand *****.From an Early and Colorful Past to the Present: The People Behind Florida's Fishing Industry Florida and fishing have been synonymous since Admiral Pedro Menendez de Aviles founded St. Augustine in 1565. He brought myriad tradesmen, including net makers and fishermen who harvested seafood for sustenance and trade. From 1880 through 1925, four million Italian immigrants arrived in the United States, along with immigrants from Spain, Portugal, Ireland, Scotland, and Scandinavia. Thousands of families migrated to Florida, searching for economic and political freedom. Thankfully, many chose commercial fishing. Florida's fishing industry has long been a melting pot of diverse languages, customs, and characters. Robert P. Jones, a modern-day gunslinger for commercial fishing for nearly 50 years, has compiled a comprehensive and fascinating book about the people who created the Florida commercial fishing culture-a culture he has dedicated his career to saving.
