It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

KEEPING CHICKENS

Sterling Juvenile. Hardback. Book Condition: new. BRAND NEW, Keeping Chickens, Michael Hatcher, Whether it's moving to the country and starting over on a whim or just making city- living a little simpler and easier, the "Green" movement is changing the way we live our day- to-day lives. Skyhorse's Self-Sufficiency handbooks are meant to help--offering advice on what to do, how to do it better, and how to save money as well. This is a beautifully illustrated series made even more beautiful, because its goal is to help everyone live in a more earth-friendly fashion. This handbook provides an introduction to some of the key aspects of raising chickens. You don't need a large space to raise and keep chickens, and most families find that they only need a couple of hens to keep them stocked with fresh eggs year-round. Packed full of information on the basic housing costs and requirements, food and water requirements, disease prevention, and breeding--this book also includes a comprehensive section on the breeds available, their specific requirements, and a list of resources.
