What are the reasons of the vast difference between the actual events during the birth of one of the world s largest religions, Christianity and what humanity is made to believe today? Having a taste of a documentary, this novel reveals another of the greatest secrets of all times. Who really was Christ? Was he the Son of God or the Son of Man, as he insistently expressed? Is he the founder of a new religion or the awaited King of Israel? What did he do for 15 years when he disappeared before spreading the Gospel? What is the truth behind his resurrection after his crucifixion? In this work, you shall find the real identity of Christ, the secrets behind his miracles, and his loves, dreams and expectations from his apostles (disciples?). Here, you will find that many topics unanswered so far are revealed in this true life story that is completely dissimilar from the official discourse.
