AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Art of A Woman is more than just your average, ordinary, typical book on How To. The Author based his findings on years of research which is relevant to his own personal experiences, as well as the examples that have been displayed portrayed by society as a whole. After questioning numerous individuals, both men and women, it was clear that both sides were looking for a solution to the ongoing problem of, too many women not enough men. For men between the ages of 21-45, it would be conducive for them to, at some point in their life, read this manual. It would allow them to make better use of their intellect when it comes to relating to socializing with women. The more open-minded one is, the better. This book is definitely not for the nay sayers. We, as men in this day age can no longer view women in the same light as if we were living in the 60-90 s. Its a new millennium, with it we must be new men. With time there comes change as we know it, but for some inexplicable reason, we (men) are set in our pattern of thinking in reference to women in general from a relationship standpoint. Its serious, its funny, yet straight to the point. Throughout this manual, one may find a section or two, that sticks out allows the reader to see himself for the very first time. This is not a book that will give you, the reader, an angle for trying to pick up women with slick talk sly ways. For the most part, its the medicine for whats been ailing men for far...
