

2 Chronicles: Volume 15 (Hardback)

By Raymond B. Dillard

ZONDERVAN, United States, 2015. Hardback. Book Condition: New. 235 x 159 mm. Language: English . Brand New Book. The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization * Introduction-covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. * Each section of the commentary includes: * Pericope Bibliography-a helpful resource containing the most important works that pertain to each particular pericope. * Translation-the author s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. * Notes-the author s notes to the translation that...
