ZONDERVAN, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Space hero Super Ace is called to planet Woop because the main river has dried up. No one can drink or bathe, and they are cranky and smelly. Super Ace tries to use his super powers (strength and good looks) to find a way for the people to smell better and not be so thirsty. Nothing he tries works. The planet leader turns to Sidekick Ned, but Super Swish laughs. Ned uses his God-given wisdom to discover that a huge boulder has fallen into the river and blocked the water. Super Ace feels bad until Ned asks him to help by moving the large rock. Super Ace and Sidekick Ned are glad they have worked together. This level-two I Can Read book uses engaging characters and a simple plot to build children s confidence as they discover the joy of reading independently.
