BTM Life Light (UK), United Kingdom, 2004. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Today we are faced with a society in steady decline. Men commit more crimes than women. Male offenders outnumber female offenders by four to one. Between eighty five and ninety five percent of offenders found guilty of burglary, robbery, drug related offences, criminal damage, gun crime, violence against the person are male. We need to get back on track. Let every man begin to pray to God the Father for the Holy Sprit to sweep this land. I dare you to be that man. When a man changes on the inside, the world will change also. Every man can function in his role with wisdom, knowledge and understanding...
