A Storyteller Tale by Sheri L. McGathy Gather round. Aye, gather near, and I will spin you a tale of magic from a time long since lost to lore. Come and I will tell of elves and the kingdom of Ra-Jee, a kingdom now forgotten in the mists of enchantment. This tale is one of sacrifice and sorrow, yet one of hope offered to a future not yet written. The Storyteller curled his gnarled fingers Over the worn top of his cane and smiled. And it is a tale of a young elfen maiden named Ra-May and the human male, Michall, she is destined to meet. Come, join me as I tell of these two very different and unique individuals, brought together by fate, and guided by ancient magic as they venture forward to save Ra-Jee-or die trying. And so, whispered the old Storyteller. The tale begins.
