Lesson Plans a la Carte

By Valerie Paradiz, Todd Germain, Sarah Oliveri and Michelle DeFelice Haverly

AAPC - Autism Asperger Publishing Co., 2011. Softcover. Book Condition: New. Integrated Planning for Students with Special Needs Teachers, clinicians, and administrators are being asked more frequently than ever before to respond to students with an increasingly complex set of needs and behaviors. Lesson Plan a la Carte guides educators through a simple, step-by-step process of creating an integrated lesson plan that addresses the social, environmental and communication challenges that block kids access to academics and other learning opportunities. This model helps to integrate the best clinical and educational practices into a plan that speaks a common language and aligns and focuses priorities, goals and strategies. Valerie Paradiz, Ph.D., designs curricula and educational programs for children and adults with autism spectrum and related conditions. She is the developer of Integrated Self-Advocacy ISA#174, a curriculum and certification training series for educators, therapists, families, and support providers who wish to help individuals with ASDs achieve greater self-determination and ability in self-advocacy. Her work has been featured in the New York Times, Redbook Magazine, The Guardian, and on National Public Radio. She serves as director of the Autistic Global Initiative for the Autism Research Institute, where she also works as editor-in-chief of the...
