Information Age Publishing, United States, 2016. Hardback. Book Condition: New. 235 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.International Advances in Education: Global Initiatives for Equity and Social Justice is an international research monograph series of scholarly works that focuses primarily on empowering children, adolescents, and young adults from diverse educational, socio-cultural, linguistic, religious, racial, ethnic, and socio-economic settings to become non-exploited/ non-exploitive contributing members of the global community. The series draws on the international community of investigators, academics, and community organizers that have contributed to the evidence base for developing sound educational policies, practices, and innovative programs to optimize the potential of all students. Each themed volume includes multi-disciplinary theory, research, and practice that provides an enriched understanding of the drivers of human potential via education to assist readers in exploring, adapting and replicating innovative strategies that enable ALL students to realize their full potential. Among these strategies are the integration of digital technologies (DT) and information and communication technologies (ICT) into contemporary education platforms. However, technology must be more than just a tool to deliver content and stimulate engagement; it must become a means to broaden access to learning, advance equity, promote...
