## Observing Children in Their Natural Worlds: A Methodological Primer, Third Edition (Hardback)

By Anthony D. Pellegrini, Frank Symons, John Hoch

Taylor Francis Ltd, United Kingdom, 2012. Hardback. Book Condition: New. 3rd Revised edition. 231 x 155 mm. Language: English . Brand New Book. This book shows readers how to conduct observational methods, research tools used to describe and explain behaviors as they unfold in everyday settings. The book now uses both an evolutionary and a cultural perspective. The methods presented are drawn from psychology, education, family studies, sociology, and anthropology, but the author's primary focus is on children in school, family, and social settings. Readers learn how to make observations in real contexts to help them create a verbal picture of behaviors they see. The importance of considering reliability and validity factors while testing within each environment is emphasized throughout. The author draws from the literature that provides methods for observing animals in their natural habitats, but emphasizes the use of observational methods to solve human problems. The book is organized in the way a researcher conducts observational studies-conceptualizing of the idea, designing and implementing the study, and writing the report. Things to think about sections provide an opportunity for students to solidify their understanding of the material and the Glossary defines the key terms introduced in the book....
