Reviews

I actually started out reading this article ebook. This is for those who statte that there had not been a worth reading. Its been developed in an extremely easy way and it is just after i finished reading this book in which in fact modified me, change the way i really believe.

(Antonetta Ritchie IV)

OVER BUT NOT OUT

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Over But Not Out, Richie Benaud, Few people understand cricket as well as Richie Benaud. For sixty years, as player and commentator, he has set the standards for others to follow and has witnessed all the major events in the game. No one else has found such favour with the vast numbers of cricket lovers in both Britain and Australia. A high-class attacking batsman and masterful legspin bowler, he captained Australia in 28 of his 63 Tests, regaining the Ashes in 1958-59 and taking part in both Laker's match in 1956 and the Tied Test in 1960. His television career, which began in 1963 while he was still a Test player, has coincided with a period of astonishing change - in the way the game is played, with the increasing popularity of the shorter formats, and in the way it is broadcast, with the innovations that began with World Series Cricket. In Over But Not Out , Richie Benaud has added extensive new material to his acclaimed Anything but .an Autobiography in order to cover the years since its publication; he not only revisits his long and remarkable career but also casts his eye over cricket in the 21st century. He gives his distinctive take on series such as the 2005 and 2009 Ashes and contemplates the future of the game he loves, revealing strong and sometimes surprising opinions on Twenty20, day-night games, technology, referral systems, no-balls, neutral umpires and match-fixing. Packed with stories and illuminated by his characteristic incisiveness and independent-minded good sense, Over But Not Out is required reading for all followers of the game.
